# **Troubleshooting**

Problem	Solution
I am signed in to my account but I can't find where to start a new application.	Even if you have an existing account, all new applications MUST be started by clicking the "New Application" link found on the <i>Apply</i> page of the website.
Our staff has changed, and we lost our login information.	Contact staff to update your account to a new email address. Using "info@" or a more generic account for your organization may help alleviate this problem in the future.
One of my documents will not attach.	Chances are your file is too big (no 990s please!). Sometimes using a PDF can help. If it continues to fail to attach, please contact staff for assistance.
